

A **CLEAN** home equals a peaceful, happy LIFE

### LAUNDRY checklist

- M-W-F fold and put away (in proper place in each bedroom!) the laundry that has been washed. Sweep the laundry room floor and empty the garbage.
- Tuesdays mop the laundry room floor and organize and wipe down the cabinets, inside and out.
- Thursdays clean all floral arrangements by filling bathroom sink with cool water with a few drops of dish soap, swishing the flowers then blotting them dry with a bath towel. Replace the arrangements.
- Saturday clean the laundry room garbage can with disinfectant spray, dry and line with a new garbage sack. Mop the laundry room floor.
